“ And I will light a candle for you.  
To shatter all the darkness and bless the times we knew.  
Like a beacon in the night.  
The flame will burn bright  
and guide us on our way.  
Oh, today I light a candle for you.  
The seasons come and go,  
And I'm weary of the change.  
I keep moving on,  
you know it's not the same.  
And when I'm walking all alone,  
Do you hear me call your name?  
Do you her me sing the songs we used to sing?  
You filled my life with wonder,  
Touched me with surprise,  
I always saw that something special deep within Your eyes.  
And through the good times and the bad,  
We carried on with pride.  
I hold onto the love and life we knew.
