“ Being the grand daughter of B.K. Worcester has been amazing. I grew up surrounded by a loving family with this strong man at its wheel. The loss of Pawpaw leaves me broken; however, I am thankful he is reunited with Granny who is the love of his life. What I will remember most about Pawpaw is his love for us...endless and true, his projects...each one always managed to work, his shenanigans...of which he is well known in our community. B.K. will never be forgotten.
