“ I went to Mobile in 1975 as Bo's Trooper Sergeant. Bo was special. He performed his job professionally. He never complained about his work assignments or anything else. I learned a lot about Baldwin County from Bo. He seemed to know everyone in the County. I spent many hours in a car with him. He always had a smile on his face and was able to diffuse almost any situation without the use of force. I learned many things from him. When we were together, the conversation often turned to gardening. I, a neophyte gardener, benefited greatly from his expertise. I spent all 31 years of my career in the Highway Patrol Division. Trooper C.C. Dyal was one of the best Troopers I ever had the pleasure of working with.

“ Mary, Carl Jr and Family..Your Dad was a good man, a good friend and left a legacy of love and respect to all who knew him. He and your Mom raised y'all well and I know he took huge pride in the adults you've both become and his grandchildren lit up his world. Take comfort that Bo and Janice are together now, forever. Much love to everyone....

“ I was able to come home to Robertsdale as a State Trooper when Bo retired in 1987. I had known him already having been in law enforcement for ten years in Baldwin County prior to going with the troopers. I enjoyed being around Bo and will miss not seeing him anymore up at the store for coffee.

“ I will never forget the summer after I had reached the age of 16 and was now legal to drive. As I was driving south on Hwy. 59 -, making the normal Sunday drive thru and past The Burger Hut, I looked behind me and there was a blue light!! Pulled over to the right side of the road and here came Mr. Bo walking up to the car. I asked what I had done wrong and Mr. Bo just laughed and said, " I just wanted to make an example of you to all the kids hanging out at the Burger Hut and to let you know that if I ever pull you over, I won't write a ticket or take you to jail, I will just call your mama". That was over 50 years ago!! Mr. Bo and Mrs. Janice were a "special " couple and I will cherish the memories I have of them! Sympathy to their family and RIP Mr. Bo!!

“ I hired on July 16 1968 as a cadet at the Mobile post. Bo would always carry on with me about my kin folks and tell a whole bunch of stories about them. Just wish I could have visited him before his passing. R.I.P. Ole Friend!

“ I hired on with DPS in '96 and didn't have the opportunity to serve with Bo. However, I'm honored to wear the same uniform as men like him and appreciate his service to the citizens of Alabama Thank you to the family for sharing him with DPS.

Rest easy, Sir, and Godspeed.

“ Trooper Bo Dyal was one of my mentors in the 70's as I pursued a career in law enforcement. He was patient, kind, and took the time to put up with my curiosity. I am forever in his debt. My heart is heavy this day...peace to his family.

“ I am deeply grieved at the passing of my Uncle Bo. I have lost a mentor and a friend. I will miss spending time with him on the front porch, just watching the grass grow and the wind blow through the pines. One of my fondest memories was one morning on the way to the cemetery to visit the folks and place a plastic frog on Janice's resting place. He suddenly started laughing. I asked why and he told me that the frog was looking up at him, peeking out of the bag. I handed him my phone and he snapped a picture. Such a happy memory. Then, a few minutes after giving the frog to Janice, I began to cry. Bo asked why, and I told him the sadness I felt when I realized that not too many visits away I would be visiting him, too. He reassured me that when that day came that I should not cry, but rejoice that he is in heaven with Janice. I will try, Bo. Love you!

“ My husband Eddie pratt was injured on highway 112 in 1978. He was working for Baldwin co emc. Eddie was lifeflighted to foley hospital. Donnie Younce was going to savings and loan in robertsdale to take me to the hospital. Trooper dyal pulled him over at old club carrol on hwy 90. Bo said why are you speeding. Donnie said Eddie is hurt and is in critical condition. Trooper dyal said follow me and don't slow down. Bo took us to the hospital and stayed with me until dr Taylor sent us to mobile infirmary. I. Doubt any ambulance has made a faster trip across the bay way than we did that day. Rip carl dyal.

“ When we moved to Robertsdale Mr Bo Dyal was the first person to knock on our door and say, welcome to our community. From that day on for more than eleven years I could see him walking up the road checking on all his neighbors. We had many good visits sitting on his front porch enjoying just being able to be there. He was very dear to my heart and I will forever miss him but know he is with God and Janice.
