Son of Dorothy and William Hutchings, Daniel has two surviving siblings, Susie Christian of Mississippi and William Hutchings. Daniel's spouse of 63 years, Shirley Boyington, passed away just two months previously on December 11, 2021. Daniel had five children and one predeceased him, Anita Devine Boyington. Daniel was a graduate of Monmouth College in New Jersey. He had a bachelors degree in business administration. Daniel's professional history is extensive. He worked 35 years for the United States Government (Department of Defense). He worked at many locations all over the world. He retired in 1991 with his wife, Shirley Boyington, to Loxley, Alabama. Daniel was a veteran and served in the United States Coast Guard 1955-1958. He did a tour in Vietnam during the Vietnam War. He was also a licensed pilot and an active member of the Mason's and Shriners of Baldwin County.

It was Daniel's wish not to have a ceremony.

A million times we needed you, a million times we cried. If love alone could save you, you would have never died.

Life is but a moment - a grain of sand. Love is eternal - an infinite plan. DWB

“ One of my favorite people to talk with up at Alfa Ins. We had many amazing conversations. My husband and father looked to purchase a bull all over Baldwin County, I told them Mr Dan had a bull for sale and my dad said the minute they drove up to the farm they knew that was the one. So sorry to hear the passing of both your parents. You and yours are in my prayers.

“ This is such a shock. Dan and I knew each other in grade school and we had just reconnected when he asked me to be a friend on FB  
My sincere sympathy and prayers go out to his family. They have suffered such extreme sadness in losing both parents so close together. 🥺
