“ Louise,

I cannot express how my heart hurts for you and your family. I loved Dan and will miss his heartfelt laugh. I will miss our talks. He always somehow kept me talking for hours! He was such a wonderful person...compassionate, funny, and SO diligent in everything he did! I miss him already.

I am concerned for you as you have had a difficult time yourself within the last few years. Please take time for yourself to grieve and heal. Many thoughts and prayers are with you right now...

“ Teresa, I couldn't have said it better myself. I worked together with Dan in Germany. He was a very open and easy person to talk to. We would talk for hours, about anything and everything. He was kind and gentle, with an absolutely infectious laugh.

I enjoyed many dinners with him and Darryl. They particularly made one Thanksgiving there very special for me and my friend, Karl-Heinz. He will be missed so very much.
