“ We are sending sincere condolences to the family of Mrs. Dottie during this difficult time. She was an amazing friend to my grandmother. They loved to exchange flowers from their gardens and sit together in the mornings with a cup of coffee. She will be missed terribly by our family. She has been a special part of it for quite some time. Love, The Merritt and Hall family.

“ Our hearts were broken when we heard that Dottie had passed over! She is with the Lord now! We loved Dottie very, very much as she was like a sister and treated us like members of her family! She was a member of our Sunday School class (Seekers)and would struggle to get to church and then to Sunday School! As a very strong member of Rosinton Methodist she was very active over the years of taking care of the flower beds and always there to help out! She was a great mother, as you could see, if you know any of her children, as they were dedicated to taking care of their mom and dad!! She will be greatly missed by her family, but she will also be greatly missed by everyone who knew her!! JJ and I are just heart broken, but know she is in a better place! Our prayers and love go out to her husband Ray and the whole family!! We love you Dottie and will continue to carry you in our hearts! Rest in peace, my sister!!

“ *My memory of Dottie will always be the laughter, over almost everything. I've always told my friends that the Platos were born with a happy gene that was constantly dancing in their hearts. Dottie's was one of the best, and it shown through her twinkling eyes. She loved her family and her siblings; and I always knew she loved me... just as I was. Her spirit lives in me because I a proud Plato who inherited that same tap dancing gene too.*

I love you.

“ My greatest thought of Dottie is I never walked up to her that she did not give me the best most loving bear hug ever!! My sweetest memory was the Atlanta braves onesie she made for my grandson Parker, she had his name put on the back and it was so adorable!! I love you Ms. Dottie and I will miss you so much!!! My prayers are with Mr. Ray and the rest of the family!!
