“ Mrs. Hedden was a remarkable woman. She was kind, intelligent and a true Christian. I owe my love of reading to her teaching ability. Years ago she was my Sunday School teacher at Bethel and also my 2nd & 3rd grade teacher at Elsanor Elementary. She was my FAVORITE teacher ! What a blessing I've had knowing her my whole life ! She and my Mama were really good friends. They so enjoyed each others company. In fact, she was a friend to all my family members. She was a pillar of the church and Elsanor community. She will be greatly missed ! My love and prayers go out to her family...

“ I have so very many fond memories of this lovely lady that I'm hard pressed to share just one. She was my 2nd and 3rd grade teacher and by far my favorite teacher. But, one memory I have of her is from church. As a young mother, I was the only mother with a small child at the time my daughter, Tiffany was born. There were many Sunday's during church service where there would not be anyone in the nursery to keep just one child. So, I would bring her in the service. But, she would get fussing as children do. So, I would go to the nursery to sit with her. Here would come Mrs. Hedden to sit with her so I could attend the church service. She would say something along the lines of ... you've been with her all week. Let me keep her while you enjoy the worship service.

Such a thoughtful and loving lady. I loved her dearly and will miss her very much.

“ "A Beautiful Soul" doesn't begin to describe this woman I consider myself blessed and privileged to have known. Her family continues to bless me to this day. An "iron lady with a heart of heaven, soul of righteousness and a wit unparalleled"...Mrs. Jane, you will be truly missed and never replaced.

“ She invested generously in generations of young people! Jerry & I are among the fortunate ones to have grown under her spiritual guidance and down to earth good sense of humor! Loved her dearly! I can envision her, Mama, Imogene, Aunt Irene and Dorothy laughing & singing and praising Jesus together in Heaven!

“ One of my favorite childhood memories was going to visit over at the Hedden's house. My daddy enjoyed going on visits and I loved going with him. If I remember correctly, there was always a beagle there! Mrs. Hedden was my 3rd grade teacher - one of my favorite teachers ever. She gave me my first long term substitute jobs when I got my teaching degree. She was out for a surgery and let me take her class - what an honor! Mrs. Hedden was definitely one of my role models. Thank you for the wonderful memories, Mrs. Hedden!
