“ Ellie, we just got word at the Wellness Center of Larry's passing. We are all thinking of you & praying for you. I know he is in a better place, with his mother that he missed once again, and free of his earthly body & its ailments. We will surely miss seeing him around here. Larry, this one's for you: I'm writing this on the 40th day of the year, with 319 days until Christmas & 325 until the end of the year. I miss you, buddy! America's Top Trainer
