“ Louise was a rare gem. She helped others light up when they came into the room. She had a remarkable gift of making everyone feel comfortable, welcome and at ease. I've been on the receiving end of some of her fantastic stories and the beautiful word pictures Father gave her to share His word and Truth. I can't help but smile thinking about the heartwarming welcome she must have been greeted with in Heaven. If you knew Louise, you loved her. I'm thankful to know she went straight from arms that loved her here to so many arms that loved her there. From arms of love TO arms of love. Our hearts are broken and the sadness is overwhelming. Let us remind ourselves that Louise is in our future and we should not get stuck only thinking of her in our past. As we look forward, Father's light will shine through and warm up the cold left by her physical absence. May Father wrap His bold compassion around us all, blanketing us in the very love He shares with Louise. Blessings!

“ TIM & FAMILY. My prayers are with you during this most difficult time. I just recently experienced such a time and believe me it isn't easy getting over the pain of the loss of a love one. God has everything under control and one thing we know for sure we will be with our love ones in the twinkling of an God's eye. Time is nothing to God. God bless your Dad and others in the family.
